SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Dear Sir:

The following information is being disclosed to the Patent and Trademark Office as information that may be material to the examination of the above-identified patent application.

This Supplemental Information Disclosure Statement is being filed before receipt of a first Office Action on the above-identified patent application. Thus, a certification under 37 CFR 1.97 (e) or fee under 37 CFR 1.17 (p) is not required for the information herein to be considered.

The above-identified patent application has a corresponding International Patent Application No. PCT/FI 00/00661. Applicants' attorney encloses a copy of a "Communication relating to the results of the partial International Search", issued on the corresponding International Application No. PCT/FI 00/00661. The partial search results cited PCT International Publication Nos.: WO 00/41426, WO 95/35002, WO 97/12490, WO 99/31907, WO 97/50263, WO 00/11885 and European Patent Application No.: EP 0 848 560 A2. PCT International Publications No.: WO 97/12490 and WO 99/31907 were previously

cited on an Information Disclosure Statement for this application and copies were provided to the Examiner. As such, further copies of these documents are not enclosed.

Copies of the "Communication" and the cited references are enclosed together with PTO-Form 1449.

Respectfully submitted,

Clarence A. Green Reg. No.: 24,622

COMMUNICATION RELATING TO THE RESULTS OF THE PARTIAL INTERNATIONAL SEARCH

International application No.
PCT/FI 00/00661

1. The present communication is an Annex to the invitation to pay additional fees (Form PCT/ISA/206). It shows the result of the international search established on the parts of the international application which relate to the invention first mentioned in claims Nos.: 1-24, 26-50
2. This communication is not the international search report which will be established according to Article 18 and Rule 43.
3. If the applicant does not pay any additional search fees, the information appearing in this communication will be considered as the result of the international search and will be included as such in the international search report.
4. If the applicant pays additional fees, the international search report will contain both the information appearing in this communication and the results of the international search on the other parts of the international application for which such fees will have been paid.

* Special categories of cited documents:

"A" document defining the general state of the art which is not considered to be of particular relevance

"E" earlier document but published on or after the international filing date

"I" document which may throw doubts on priority claim(s) or which is cited to establish the publication date of another citation or other special reason (as specified)

"O" document referring to an oral disclosure, use, exhibition or other means

"P" document published prior to the international filing date but later than the priority date claimed

"T" later document published after the international filing date or priority date and not in conflict with the application but cited to understand the principle or theory underlying the invention

"X" document of particular relevance; the claimed invention cannot be considered novel or cannot be considered to involve an inventive step when the document is taken alone

"Y" document of particular relevance; the claimed invention cannot be considered to involve an inventive step when the document is combined with one or more other such documents, such combination being obvious to a person skilled in the art

"&" document member of the same patent family
